PRESIDENT'S MESSAGE

Greetings Fellow DGCers:

This June is turning out to be a whirl wind of activities for DGC members! I'm very happy with the enthusiasm I've seen at our activities and hope everyone can hang in there through the end of the month! Not to worry though, July is shaping up to be a pretty mellow month.

Due to bad weather the Friday of Memorial Weekend, the Friends of the Library book sale was postponed to Saturday June 2nd. Didn't seem to bother the volunteers who didn't even blink at the change of plans, nor did it bother the book shoppers. They raised over \$500!

Thank you Lexa for organizing our tour of the Sherwood Demonstration Garden and the Master Gardeners who lead the tours and answered as many questions as they could. It was a nice day — not too hot. Lunch and the meeting at Danette's Pub was fun and delicious! We had an excellent turn out for both.

For those of you who were skeptical about the garden club hosting a corn hole tournament, you had every right to be! Fortunately, we were lucky to have a group from Jack Russell Brewery who really wanted this tournament to happen so they kindly took it out of my hands. They did everything from teach me how to organize a round-robin tournament to actually going out and getting people to participate. We had 8 teams including our very own Carol and Bob Game, me, and Jean Jay's husband Rick — who incidentally ended up being on the winning team (sandbagger!). And we raised \$120 for the club! Due to popular demand, we will be hosting the second annual DGC corn hole tournament next year at Wagon Train!

Thank you Sandra Morgan for organizing the library clean up last Wednesday. An angel had shown up before we got there and made our task much easier. There was still lots to do - we stuffed 9 bags of debris in addition to the 2 green carts. If you have a chance, check out the library landscaping. It's beautiful!

I would like to spotlight one of our members: Jean Jay has gone out of her way to provide a program for the Super Seniors called "Get Up and Move!" It's every Thursday from 11-12 at the Community Center and is a wonderful way to get a good stretch and some movement into your life. I highly recommend it!

Don't forget the month is not over and we still have 2 activities - the cleaning of the shed on Monday the 18th at 9:30 and the huge rummage sale on Saturday the 23rd. Carol is asking us to be there by 5:30 (am) to set up for a 7:00 opening in the Community Center parking lot. It should be great fun!
