## PRESIDENT'S MESSAGE

Greetings Fellow DGCers:

Welcome to the dog days of summer! I'm wondering if all the smoke from the various fires burning around California has cut into our glorious state's tourist trade!

The smoke was a major reason for the limited attendance at the August 1st DGC meeting at Sierra Vista winery. Those hearty souls who did make it had a great time! As Mary Bourn said, although there were only about 15 of us, we spent thousands on wine! Not really but between the good wine and Nick's great offers, there were quite a few of us who put dents in our pocket books! Thank you Mary for hosting the meeting!

The smoke didn't keep people away from the birthday lunch though! Approximately 11 of us showed up at the Apple Bistro Cafe. Food was great, the service was wonderful; unfortunately the view was nonexistent! I'm sure Janet has something special planned for us in September. The lunch will be on September 12th. Doris Morley, Judith Jordan, Nancy Jones and Pat Schoggins will be celebrating!

I understand that since last year, the DGC has 20 new members! It's wonderful to have a pool of fresh ideas to float around in! I'd like to encourage all new members to attend meetings when possible and if you have an idea for something fun for us to do, please don't hesitate to share it with me, or Marilu or the club.

There are open board positions for both the DGC and the closely affiliated Friends of the Library. If you are a new member or a seasoned member who hasn't served on a board in quite some time — please consider contributing your time to one of these worthy boards. For information about the DGC board, please contact Mary Bourn. For information about the FOL board, please contact Marilyn Johnson.

See y'all at Gold Bug Mine in September!
